

## Important CON information

1. It was approved by Council on 5/7/07 for the CON Committee to continue to utilize the timeline in former Policy Statement DOH-93-10. This replaces the timeline shown in Policy Statement DOH-06-06.

2. It was approved by Council on 5/7/07 for the CON Committee to use the program agency web site for documentation postings but anyone may obtain a hard copy of the information upon request.

3. The Committee endorsed the concept to reduce the chance of fraud that the Chair of the CON Committee and the Program Agency would keep original copies of all paperwork as required by NYS DOH. The postings to the general membership and to the public will have SS #'s and DOB's deleted or blacked out.

Note: Since that approval we are also redacting any numbers and or other sensitive personal information in which could be used to commit fraud against any individual.

4. It was approved by Council on 5/7/07 for the CON Committee to continue to utilize the check list forms that Ron Smith created for the CON application process, updates to be done in the future if needed.

This document was approved by full council at the June 6, 2016 meeting.
