

# JANUARY PECC NEWS UPDATE

Warrensburg EMS in the Mountain Lakes Region received a grant that is to be used for EMS education specifically for Pediatric education. WEMS will be hosting several PEARS classes starting in January these courses are open to all providers. WEMS will also be hosting NAEMT EPC and a PALS course with dates to be confirmed at a later date.

Congratulations to WEMS and their PECC, Tony Lipari, for the great work on furthering Pediatric Education in their region!
