A Program of the New York State Department of Health

New York State Department of Health Bureau of EMS and Trauma Systems has started a webinar series that will take place weekly. At this time, the webinars are offered free of charge. To access the schedule of upcoming webinars, please go to VitalSignsAcademy.com and click on "Calendar" at the top. In the calendar you will see the different events and you will be able click on each individual event to register for the WebEx seminar.
