

SEPTEMBER PECC NEWS UPDATE

Welcome Amy Eisenhauer to the NYS Bureau of EMS & Trauma System team as the new EMS for Children Program Coordinator

Amy Eisenhauer has recently been named the new EMS for Children program coordinator as well as the Coverdell EMS Liaison. Amy started in her new role, Monday, August 3rd, 2020. Amy's experience skillset will be a great fit for the position. Her primary roles will include oversight of the NYS EMS for Children Program including coordination of the State EMS for Children Council. She will also be a vital part of the Coverdell Stroke program to help grow EMS initiatives that result in improved outcomes of stroke patients.

Amy has an extensive history working in EMS and has filled many roles throughout her professional career. Amy has been a national speaker at many EMS Conferences annually raising awareness on topics including medical emergencies, provider wellness and career development for EMS professionals. She has taken on challenging roles as an EMS educator, course content developer, conference coordinator, training officer and has a strong interest in pediatric emergency care. In addition, Amy is a contributing author for several publications including *In Public Safety*, *JEMS*, *EMS1*, and *EMS World Magazine* and has a strong social media background focusing on improving the EMS community.

Welcome, Amy! We look forward to working with you!
