

# JANUARY 2021 PECC NEWS UPDATE

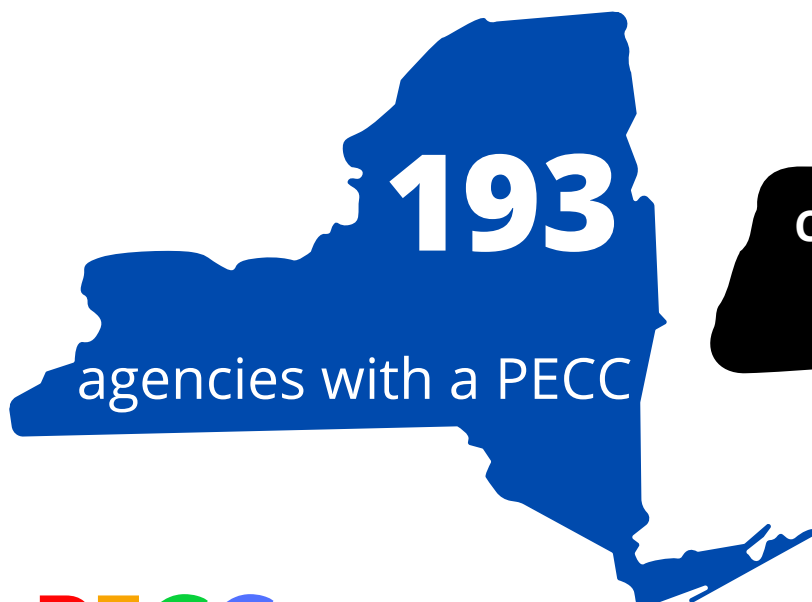

## Safe Transport of the Pediatric Patient

Saving Kids Safely: Guidelines for Pediatric Transport is now available on Vital Signs Academy. This presentation by Denise M. Cuillo, EMTP, CCP-C, Director of Education and CQI, Mercy Flight walks through the National Highway Traffic Safety Administration's guidelines for safe pediatric transport. The presentation discusses best practices, solutions for safe transport, what works, and what doesn't, what we can do, and what we should no longer do. [Click here to access the presentation.](#)

A Program of the New York State Department of Health

New York State Department of Health Bureau of EMS and Trauma Systems hosts several webinars throughout the week. For more information and the schedule, please visit [VitalSignsAcademy.com](http://VitalSignsAcademy.com). Webinars are posted to the state's LMS for those who are not able to attend the live sessions!

**Congratulations to the New PECC!**
